2. FYSA player passes with **D/O/B verified**
3. Referee fees
4. Home Team must have a “Referee Game Report” available.
5. Rosters distribution: One copy of each roster is attached to the referee game report and each coach will received a copy of the opposing team roster.

Failure to have the FYSA state roster, the team will receive a \$ 50.00 fine, and the game will be recorded as a forfeit.

### 3.02 Roster Size

The roster size is determined by the team’s age of competition.

The League will adhere to the following maximum “game-day” roster limits:

7 v 7 – 12 players, 9 v 9 – 16 players, 11 v 11 – 18 players

### 3.03 Player eligibility

Eligibility of players shall be in accordance with FYSA regulations, unless otherwise specified and approved by the League.

### 3.04 Guest players

U9-U10 Three (3) guest players are allowed

U11-U12 Four (4) guest players are allowed

U13 and above (5) guest players are allowed

Guest play is intended to promote player development from the bottom up. It also allows a club to field teams that may be short players rather than forfeit a match or even fold a team. The spirit of the rule is not to allow player movement for the purpose of affecting division standings. The following are the applicable league rules for guest play. (**Guest players must be from the same club**).

#### **NO GUEST PLAYERS FOR LEAGUE CUP**

1. Only guest players from the same club may be used in any regular league match. **Guest player(s) may only play in one team for the game day and must be listed (hand written) in the FYSA Game roster for that day. FYSA rosters cannot have “Dual Register Players” all players must be primary register to the team.**
2. A registered player may guest **play up** by division or age **but not on another team in the same division.** (A U 11 (Div. 2) player may guest play on a U11 (Div. 1) team, but a U11 (div 1) player cannot guest play on a U11 (div 2) team). **A registered player that have played in a div 1 team in any other FYSA sanctioned league cannot guest play in a div 2 team in the MDSL.**

3. In combined divisions, an age appropriate guest player may be used during league play. (i.e., a U11 player may guest play on a U12 team in a combined U11/12 division, **only if the team is playing in a NO-Heading division.**

**Clubs or Teams violating the guest play rules will forfeit each match where an ineligible player participated and will be sanctioned as per MDSL fees and fines.** Further, if the forfeiture of a match results in a tie in the standings the team having the greatest number of violations will be ranked lower in the standings. This rule supersedes the normal progression of tiebreakers. This rule is in addition to fines and sanctions.

### **3.05 Player & Coaches passes**

Each player and coach must have a valid (laminated and signed by an official of their club) FYSA player pass in order to participate in the League. The player & coaches passes must be brought to every game along with the FYSA official game day roster. The match officials will check the teams in prior to kick off. A team has until the end of the half time period to produce the player/coaches passes should they not have them available prior to the game. Teams not able to produce the passes at that time will forfeit the match.

### **3.06 Age Divisions**

Age limitations shall be in accordance with US Soccer regulations except as modified by the MDSL. Proof-of-birth shall be provided upon request.

### **3.07 Playing on Multiple teams**

Players may not play on more than one team (as a guest player or registered player) in the same sub-division. See rule 3.04 for more details on playing on multiple teams.

### **3.08 Game Procedures**

Each team is responsible for their portion of the Referee fees for their game, regardless of the age level competing. The payment shall be made in cash and in the exact amount.

Failure to make payment of the above Referee fees shall result in a forfeit; the League shall award the game to the opponent. The member organization not making payment shall then be responsible for payment of the entire referee fee payment and shall also be fined an amount as directed by the MDSL Board of Directors not to exceed \$ 100.00 for a first offense.

### **3.09 Formats**

\*U9-U10 D2 and D3 teams will play 7 v 7 with 1 referee **if available** scheduled per game otherwise, a three-man referee crew will be used. Using of a club linesman is acceptable.

\* As per US Soccer recommendations, U9-U10. D2 and D3 teams, will be using a single referee if available.

U9-U10 D1 teams will play 7 v 7 with a three-man referee crew. Using of a club linesman is acceptable.

U11-12 teams will play 9 v 9 with a three-man referee crew. Using of a club linesman is acceptable.

U13 and above teams will play 11 v 11 with a three man referee crew. Using of a club linesman is acceptable.

## **SECTION IV: OPERATIONAL PROCEDURES**

### **4.01 Reporting of scores**

Referees will submit the game report with the match result. On completion of the game, the referee and ARs will verify the score and sign the game report. Coach's need to sign the game report, post-game. Coaches may e-mail us with an "incorrect score". Link can be found on our website.

The home club, team, a field Marshal and/or a person assigned by the club must report the final score to the league within 72 hours of the completion of the game or the game will show as a forfeit for the home team.

### **4.02 Weather Hotline**

Every reasonable effort will be made to play all games. However, in cases of inclement weather updates contact the opposing team. All team's information is located in our web site.

### **4.03 Schedule requests**

We will attempt to schedule around all requests provided on the registration form. Requests made after submitting the registration form is subject to our re-scheduling policies.

### **4.04 Rescheduling Policy**

We have a flexible re-scheduling policy and will work with teams to the utmost of our abilities.

Schedule changes are inevitable as a result of bad weather, unanticipated field closures, etc. **However, once the MDSL schedule is officially posted for the season, it is considered primary compared to other events such as tournaments and outings.**

A valid reason must be provided for a re-schedule. Re-scheduling games causes issues/concerns for both teams, managers and families. Abusing this system will create an adjustment to our flexible re-scheduling policy. Valid reasons would include participating in a new tournament if registered to the tournament prior to the league master schedule posted, shortage of players due to ACT tests etc. Missing a coach or key player would NOT be considered a valid reason!

**Any changes that need to be made during the season must be received a minimum of 10 days prior to the original game date.** Games will not be rescheduled if the request is received less than 10 days prior to the scheduled game date unless both teams agree and a field and time is available. Otherwise the game will remain in the original schedule subject to the forfeit game rule.

**Any team requesting a game change after the master schedule is published and/or after they have already indicated the 4 days that their team will not be able to participate, they must be willing to provide a field and referees to be able to change the game.**

Note, requests, may only be submitted by the team manager and/or coach.

1. You must first contact the opposing team manager and/or coach.
2. Both coaches will need to agree on an available, re-schedule date, that suit both teams.
3. Once you have agreed on a date, BOTH teams must send an email to the league confirming that both coaches

agree with the change.

4. Upon receiving the re-schedule request, MDSL will confirm the request with both teams by e-mail, giving them the date, time and field.

5. The game will then be posted on our website with the new information

6. If the opposition will not agree to the reschedule, the game will be played on the original date and location or it will be regarded as a forfeit and subject to the proper fine.

7. **Field and time only changes** – The league reserves the right to move games as needed with the proper email notification to the participants at least 72 hours from the original schedule. The only purpose for these changes, are to facilitate coaching conflicts and referee assignment.

**GAME CHANGES NOT APPEARING ON THE ON-LINE WEBSITE ARE NOT APPROVED.**

#### **4.05 Forfeits**

All teams must show up to scheduled games. Failure to show up will result in a fine of \$ 200 plus the cost of both teams referee fees and assigning cost.

Forfeits shall be recorded with a score of 3-0. In the case of a double forfeit, both teams will record a 0-3 loss to their records.

The minimum number of players that must be on the field to avoid forfeit are:

7 v 7 4 players

9 v 9 5 players

11 v 11 7 players

#### **4.06 INCLEMENT/HAZARDOUS WEATHER (Rainout Policy)**

Soccer is an all-weather sport. We play in rain, cold and wind. We do not play when there is danger to the children or spectators or when we may cause extensive damage to the fields. If there is lightning in the area we will cancel matches or suspend matches that have already begun. In the event of inclement conditions, club officials will evaluate field conditions and the weather forecasts to make a determination at the earliest practical time. Games are always to be played as scheduled unless the fields are closed.

**a)** Coaches are **not** authorized to call off a game due to weather or field conditions. The job of determining field suitability for play falls upon the Field Marshal. However, if a parks department or field director has closed the field, a referee is not allowed to overrule that decision.

**b)** If threatening weather is expected or at hand, coaches should contact the field director to make sure the fields are not closed, it is the responsibility of the coaches to make sure that games will be played as scheduled. They should also make sure to have contact numbers for the opposing coach, the assignor, and the referees.

**c)** In the case of a game cancellation due to serious, inclement and/or hazardous weather prior to the start of the game, both teams will play in the next available date before the league championship games schedule a makeup game consisting of two half's of ten minutes each. This may require that a team may play two games on their next available date, if this would occur; the games will be played with no less than two hours in between but never more than three.

**d)** In the case of a game cancellation due to serious, inclement and/or hazardous weather prior to the start of the game, both teams will play in the next available date before the league championship games schedule a makeup game consisting of two half's of ten minutes each. This may require that a team may play two games on their next available date, if this would occur; the games will be played with no less than two hours in between but never more than three.

**e)** If the game is stopped anytime without completing the first half of play, then a new **Mini-Game may be scheduled if field and date is available** and may be played before or after an already scheduled game for one of the teams involved or in a selected time spot agreeable by both teams. The **Mini-Game** will consist of two continuous half's of 10 minutes each.

**f)** When a game is cancelled after the first half is completed, the score at that moment will be the final score.

**g)** If a cancelled game cannot be scheduled due to the lack of fields and/or no dates available, the result for that game will be written as a tie with a 0-0 score regardless of the game score at the time of the cancellation.

**h)** If given a tie score may jeopardize a team to qualify for the playoffs and if both coaches are in agreement, the league may be willing to setup a field so both teams can "Kick from the penalty mark" as per FIFA rules.

**i) Referee's game report shall reflect all such circumstances. The game will not be re-scheduled.**

**NOTE:** In general, it is safe to play in the rain, unless lightning is present, in which case the game will immediately be cancelled. The primary determining factor in whether we play or cancel is the current condition of the field and projecting whether damage will result from using that field. We would rather have a day of cancelled games than weeks or months of dealing with a closed field because we chose to play when we shouldn't have.

## **SECTION V: RULES OF PLAY**

### **5.01 The Ball**

U12 and younger divisions will use a size 4 ball. U13 and older divisions will use a size 5 ball.

### **5.02 Player Equipment**

The jersey of all players, except for the goalkeeper must contain a visible number, unique from the other members of the same team. No jewelry may be worn. Hard casts must be covered and be deemed safe for opposing players by the match officials.

Shin guards are mandatory for all players.

In case of a color conflict, the home team (listed first in the schedule) shall change colors.

### **5.03 Duration of the Game**

Under 9 and Under-10 – 2 x 25-minute halves

Under 11 and Under-12 – 2 x 30-minutes halve

Under 13 and Under-14 – 2 x 35-minutes halve

Under 15 and Under-16 – 2 x 40-minute halves

Under 17, 18 and 19 – 2 x 45-minute halves

All games are considered final if at least half the game is completed. If the game is stopped prior to half time due to weather conditions, the complete game will be replayed if both teams and field is available in a later date. (Refer to rule 4.06 Rainout policy)

#### **5.04 Substitution**

Except as noted, substitutions shall be “unlimited”. The team in possession may substitute at any time after any dead ball situation (corner kicks, free-kicks, throw-ins etc). However, teams not in possession of the ball can only substitute after these situations provided that the team in possession is also substituting. Free substituting is allowed for both teams after goals, goal kicks and at half time.

The substitutes must be at the centerline ready to enter before the referee will allow the substitution to take place.

The referee has the authority not to allow the substitution if he/she believes that the procedure will stop the flow of the game or is being used as tactical time wasting ploy.

It is suggested (but not mandatory) that all substitutes in the U13 and above age groups wear a different color shirt or a vest when not on the field of play.

#### **5.05 Point system**

Each team will be awarded 3 points for a win, 1 point for a tie and 0 points for a loss

#### **5.06 Tie-breakers**

If at the conclusion of the league season a tie breaker is needed the following criteria will be utilized:

1. Head to head (not used if more than two teams are involved in the tie)
2. Goal Differential (with a maximum of +/- 3 per game)
3. Goals for (with a maximum of +/- 3 per game)
4. Goals against (with a maximum of +/- 3 per game)
5. Most Wins
6. Kicks from the Penalty Mark

In cases where there are more than two teams tied, head-to-head will only be applied if all three or more teams have played each other. If so and one team has lost to all of the others, that team is eliminated and the rest of the tiebreakers are applied to the remaining teams.

#### **5.07 Delay of kick off**

If a game is delayed due to the tardiness of a team, players, coach or manager, a maximum of fifteen (15) minutes of “grace” time shall be awarded. After fifteen (15) minutes if the team is still not able to start the game, it shall be declared a forfeit. The grace period might be adapted if the team that is late has a valid reason.

See rule 4.05 for minimum number of players necessary to start a game.

## **5.08 Players, Parents, Spectators and Coaches**

Players and coaches will set up on the opposite side of the field from all spectators. This will be mandatory at all MDSL locations.

1. If a coach is ejected from the game, the coach shall leave the field. The coach shall be ordered completely off the premises and be out of sight and out of voice. Sanctions shall be applied as directed by the MDSL Board of Directors.
2. If a player is ejected, the player should leave the field at the referee's discretion. The Referee should consider any and all special circumstances such as a player being dependent on a car pooling situation.

If such is the case, the Referee may instruct the player to sit with the spectators. The coach will assign an adult to be responsible for the player's conduct while on the sideline.

3. The Referee may eject a spectator. If a spectator is causing a problem of a magnitude that is undermining "the good of the game", the Referee should do the following:
  - a. Instruct the Coach of the team to control the spectator that is supporting the team.
  - b. The Coach responsible for the spectator may himself be ejected for failure to control his or her spectators.
  - c. Advise the Site Director to control the spectator who is causing problems, or remove him from the premises.
  - d. If, after all of the above have been exhausted, and the spectator has not left or ceased his behavior, the Referee shall terminate the game.

## **5.09 Heading Restrictions at U11**

Per US soccer recommendations there will be no deliberate heading at U11 and below. *When a player deliberately heads the ball in a game, an indirect free kick (IFK) should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If a player does not deliberately head the ball, then play should continue.*

## **5.10 U9-U10 "Build up Line" Guide lines**

1. When the goalkeeper has the ball, either during play (from the opponent) or from a goal kick, the opposing team must move behind the build out line until the ball is put into play.
2. Once the opposing team is behind the build out line, the goalkeeper can pass, throw or roll the ball into play (punting is not allowed)
3. After the ball is put into play by the goalkeeper, the opposing team can cross the build out line and play resumes as normal.
4. If a goalkeeper punts the ball, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the punt occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.
5. The build out line will also be used to denote where offside offenses can be called. Players cannot be penalized for an offside offense between the hallway line and the build out line.
